

## **Help TFUMC “Adopt a Unit”**

The Tucker First United Methodist Men’s Fellowship has adopted an Army Unit serving in Afghanistan, and we would like the whole church to join us in this worthy effort. We will be sending “care” packages to this unit, along with letters of encouragement – and, of course, lifting them up in our prayers.

The unit we have adopted flies and maintains four Medi-Vac helicopters used to transport our ill and wounded troops. It is comprised of 12 soldiers from several National Guard units. Jon Shaffer is crew chief on one of the medical choppers and is the brother of TFUMC member Scott Varney.

**Below is a list of items commonly requested by soliders. Please bring items to Room 104, just off Jenkins Hall.**

Please encourage your kids to draw pictures and write notes for us to include in the packages we’ll be sending to the unit.

If you have any questions, please contact Andrew Carlton, Benny Matthews or Scott Varney. Thanks for your help and God bless you.
